FAQ

Is the wedding indoors or outdoors?

The ceremony will be outdoors, with the reception taking place mostly outdoors as well.

What should I wear?

Rustic cocktail attire is encouraged. We recommend avoiding stilettos due to uneven outdoor surfaces.

Will there be parking?

Yes plenty of parking in the grass.

What will the weather be like?

It is typically very hot before sunset but evenings can become chilly after the sun goes down, so bringing a light jacket or wrap is recommended. We will have water available at the ceremony location.

Can I take photos during the ceremony?

Yes however, we kindly ask that you do not block the professional photographer/videographer.

Will there be food?

Yes, we will have appetizers right after the ceremony and then dinner. Please ensure you have a late lunch or snack prior to your arrival to keep you from withering away.

Accommodations

Please see the listing for close hotels in the area.

If you'd like to camp, feel free to bring a trailer or tent, just let us know in advance so we can make arrangements with you. We will not have showering facilities available for anyone choosing to camp.

Thank you for being part of this season of our lives.

See you soon!
